

Local Area Runway Safety Action Team Meeting

The Idaho Falls Airport FCT Air Traffic Control management team with the assistance of Salt Lake City FAA Air Traffic Control and Flight Standards will discuss and document potential issues and concerns regarding Runway Safety at IDA. Anyone involved with IDA surface operations is invited to attend.

Directions: (Driving) Drive north on Skyline Drive to International Way. Turn left on International Way and drive west to Aeromark new hangar (slight left at the F-86). (Flying) Parking available at Aeromark. Coordinate with Unicom on 122.95 or land line 208-524-1202.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
